Sherwood is a unique venue for meaningful celebrations and relaxed gatherings. Nestled on three acres of hillside overlooking Lake Wakatipu and The Remarkables, it combines natural beauty, creative spirit, and genuine hospitality.

A reimaged 1980s Tudor Motor Inn, Sherwood offers flexible spaces for everything from intimate weddings and milestone birthdays to long-table dinners and garden parties. At its heart is our award-winning Two Hat restaurant, serving seasonal, locally sourced fare in a warm and welcoming setting.

With 78 on-site rooms, a wellbeing studio, expansive gardens, and a strong focus on sustainability, Sherwood invites you to celebrate in a way that feels grounded, personal, and unforgettable.

Celebrate with intention. Celebrate at Sherwood.
