Sherwood is a Community Hotel nestled in the serene hillside of Queenstown. We took a 1980's Tudor Motor Inn, renovated it with sustainability, community & genuinely exceptional hospitality as our focus. With our renowned MICHELIN and Two Hat restaurant at the heart, & seasonal arts, music and cultural programming, wellbeing studio, and expansive kitchen gardens, Sherwood is a place for our community as well as visitors, providing a richer, more authentic experience for all that visit.

Overlooking the beauty of Lake Wakatipu and across to The Remarkables, Sherwood is spread over three acres, and provides an idyllic setting for you to relax and rediscover the joy of connecting with nature.

We offer a range of accommodation across 78 rooms, from the humble luxury of a lakeside studio to the homely comfort of one or two-bedroom apartments. Our comfortable accommodation caters to those who seek authenticity, genuine experiences and a sense of atmosphere.

IF MICK JAGGER WERE TO SHACK UP IN THE SOUTH ISLAND OF NEW ZEALAND, IT WOULD BE AT SHERWOOD. A WILD BLEND OF ROCK N ROLL, WILDERNESS RETREAT & ECO-DESIGNED ACCOMMODATION.
